Zeekr Australia are pleased to announce the following schedule and MSRP for the first five (5) years of servicing on the Zeekr 7X.

Manufacturers recommended service intervals: 2 years / 40,000km, whichever occurs first.

Optional health checks: 1 year / 20,000km, whichever occurs first.

20000km	40000km	60000km	80000km	100000km
1st Year (optional)	2nd Year (recommended)	3rd Year (optional)	4th Year (recommended)	5th Year (optional)
FREE	\$ 605.00	\$ 330.00	\$ 1,150.00	\$ 330.00

Important notes: The first year / 20,000km service will be offered free of charge to the customers. This is to encourage customers back into the dealerships, continue building the relationship and conduct a vehicle check-over to ensure optimum operating conditions are maintained.

While the cost is 'free of charge' to the customer, Zeekr Australia will reimburse Dealers at the set rate reflected in years 3 and 5 and this will be claimed through the Zeekr warranty portal.

To provide further context of the service inclusions, we have provided a table below which details this, over and above the required vehicle checks and any relevant software updates not captured during an OTA cycle.
