

ZEEKR 7X Australia

Zeekr 7X VIN Tracking Location Search

Once you have your VIN allocated from your dealership. You can then search for your vehicle when your vehicle arrives in Australia and it's travelling route, via the links below.

When your vehicle arrives at the port and is in the country, you will be able to see it, by typing in your VIN and selecting Search.

This is the link to do that: <https://share.google/8Qfh5sWhyeaxAzcwk>

When it leaves the port you can see it here, by selecting VID as the Booking Number and then entering your VIN in the Search Criteria section, select Track, select Load Details For Booking. This is the link to do that: <https://cevacarcarrying.com.au/vehicle-tracking>
